Subsequent to a review of the facts contained in the attached report, the Chief/ [REDACTED] IO Division on 11 July 1958 stated that he does not dispute the findings reflected, and added that the four copies of Information Cables from other Area Divisions, now provided, should be sufficient to cover IO's needs.

He asked that his basic request (see Reference attached to Report) be withdrawn, and advised if the situation should change for the worse in the future, he will submit another request.
